

“Five, Four, Three, Two, One.....Blast off!”

Dear Space Enthusiast,

The 2011 Elementary Rocket Launch is ready for another lift-off. Students in grades 4 & 5 are invited to participate.

PURPOSE & OBJECTIVES

The purpose of the Rockets for Schools program is to provide students with hands-on/minds-on aerospace educational experience to stimulate the learning in Science, Math & Technology.

APPLICATION DEADLINE IS OCTOBER 1, 2011

Location: – Great Lakes Aerospace Science & Education Center, rain or shine

516 Broughton Drive, Sheboygan WI 53081 – Corner of Pennsylvania & Broughton

Date: Saturday October 15, 2011

- Time Schedule:**
- 8:45 AM.....Registration
 - 9:00 AM.....Bottle Rocket Construction
 - 10:15 AM.....Launch #1
 - 11:45 AM.....Lunch and Repairs/Alterations to Rocket
 - 12:30 PM.....Launch #2
 - 2:00 PM.....Prize Ceremony

- Description:**
- To build and launch Bottle Rockets. Using everyday materials we will build rockets that will blast off using air pressure. A portion of the morning will be given to building the Bottle Rocket. There will be 2 launches: one in the morning and another one in the afternoon.
 - There will be 2 goals for the rockets: One challenge will be for distance and one for accuracy.
 - A lunch break will be given for students to eat and repair/alter their rocket.

Students will bring their own lunch

Parents are encouraged to stay to help and watch the fun.

Keep this side of this form and cut the right side off. Please send the right half of this form in with your payment.
